Research profile

Sustainable Catalysis, Transition Metal Chemistry, Redox-active Ligands, Spectroscopy, Computational Modelling

Career

2024	Université de Rennes , <i>Junior Professor (TT until 2027)</i>
2024	Universität Heidelberg , <i>Group Leader and Privat Dozent</i>
2018 – 2023	Universität Heidelberg , Germany. <i>Junior Group Leader Habilitation „Venia Legendi“ for Inorganic Chemistry</i>
2014 – 2017	Max-Planck-Institut für Kohlenforschung , Mülheim, Germany. <i>Postdoc with Prof. Alois Fürstner</i>
2013 – 2014	University of East Anglia , Norwich, UK. <i>Postdoc with Prof. Manfred Bochmann</i>
2010 – 2013	University of East Anglia , Norwich, UK. <i>PhD Thesis with Prof. Manfred Bochmann</i>
2008	Babeș-Bolyai University , Cluj, Romania, <i>Bachelor Thesis with Prof. Cristian Silvestru</i>

Awards and Fellowships

2024	Prize for the best course in Master Studies (Chemistry)
2020	Hengstberger Prize
2018	Liebig Fellowship
2015	Alexander von Humboldt Fellowship
2013	Alan Katritzky Fellowship
2010	Dean's Studentship
